

Day 2 Body Systems

Essential Standard: 7.L.1.4

Summarized the general functions of the major systems of the human body and ways that these systems interact with each other to sustain life.

Body Systems Collaborative Group Teaching

You will be organized into groups to teach the class about one of the systems of the body.

You will have 2 class periods to prepare, anything not finished will need to be completed as homework before the third class period.

Must be completed by the beginning of class; B-day 12/7, A-day 12/10.

[Circulatory System](#)

[Digestive System](#)

[Muscular System](#)

[Nervous System](#)

[Respiratory System](#)

[Integumentary System](#)

[Skeletal](#)
