

Presentation, Quiz, and Meiosis

Warm up

Turn your videos in on Google Classroom.

Make sure your names are on your storyboard then turn it into the tray.

Use the remaining time to study for your quiz.

Quiz

Clear your desks of everything except for a pencil for your quiz.

After you are finished with your quiz:

- Make sure your name is on it, and turn it into the tray face down.

- Go on Google Classroom get started on your frayer models for your newest set of [vocabulary words](#).

Notes

Get out your notebook if you have not already to take notes on the following video.

[Video](#)

After the video, Go ahead and perform a **close read** of [this article](#), taking notes and then answering the attached questions.
